Since 1994 EUROSOLAR has been awarding the National and the European Solar Prizes to municipalities, companies, individuals using Renewable Energies, and to organizations who rendered outstanding service to the utilization of Renewable Energy. The call for tenders for the European Solar Prizes by the respective national EUROSOLAR-sections is running simultaneously in several European countries and the prizes are awarded by EUROSOLAR in cooperation with the KfW Förderbank. The winners of the European Solar Prizes will be chosen among the applicants for the respective national Solar-Prizes.

The public request for tenders and the Solar Prize award are carried out in different categories:

- Cities, Municipalities or Municipal Services;
- Industrial and Commercial Companies / Enterprises;
- Owners or users of Installations utilizing Renewable Energies;
- Local or Regional Associations promoting Projects for Renewable Energies;
- Solar Architecture;
- Media Award;
- Transport Systems with Renewable Energies;
- Education;
- One-World Co-operation;
- Special Award for extraordinary individual commitment.
