

EUROSOLAR · Kaiser-Friedrich-Straße 11 · D-53113 Bonn

IRES 2010
5th International Renewable Energy Storage Conference
SEMINARIS CampusHotel Berlin, Science & Conference Center
November 22-24, 2010

Sponsorship opportunities

For the 5th International Renewable Energy Storage Conference (IRES 2010) we offer companies who choose to become a sponsor of our event the opportunity to become involved at one of two sponsorship levels:

1. Main Sponsorship -- €10,000

Main sponsorship comprises the following:

- **Logo inclusion on both the printed version and the online version of the conference programme**

Your company logo or name will appear in the printed programme, 10,000-12,000 copies of which will be sent out to a select targeted audience from the industry. Thus the placement is a productive opportunity to reach professionals in the markets that matter to you. Furthermore your company logo or name will feature in the online conference presentation on www.eurosolar.org and www.wcre.org. The support of our main sponsors will be recognized in all conference e-mails sent out.

- **Exhibit space**

As a main sponsor you are entitled to an exhibit space to present your business to the conference attendees.

- **Logo position on the conference CD-ROM cover**

Your company logo or name will be printed onto the cover of the conference CD-ROM

- **Conference materials binder**

Sponsor company profile/brochure may be included in the conference materials binder.
