

# POSTER EXHIBITION GUIDELINES

## 16th International Renewable Energy Storage Conference (IRES 2022)

---

### Timetable

The poster exhibition takes place from Tuesday, 20. September, until Thursday, 22. September. It is accessible to the visitors from 09:00 am till 06:00 pm every day and integrated in the fair exhibition in order to ensure a high number of visitors.

The actual presentations take place on Wednesday, 21. September from 02:00 pm till 03:45 pm, as well as on Thursday 22. September from 11:00 am till 12:00 noon. The representatives are asked to attend to their poster to answer questions and provide further information to the guests.

### General aim and format

The poster is a graphically based approach to present your research. Here are some helpful preparation guidelines:

- the audience should be able to distinguish the purpose of your research
- **limit the text to about one-fourth** of the poster space
- use visuals, like graphs, maps etc.
- subdivide your poster into clear sections (methods, conclusion etc.)
- make sure that the font size is large enough and has a contrasting colour to the background

### Design and layout specifications

- the poster will be mounted on an octanorm wall. Please keep the poster to the dimensions 118,9 x 84,1 cm (**DinA0**).
- it must be oriented in the “portrait” position
- You need to leave some space on the top of your poster for the poster header, in which you should **include your ID-Number** (three digits).

### Further information

- the presenters are responsible for bringing, mounting and removing the poster
- poster walls and glue will be provided at the IRES check-in counter
- the conference organizers are not able to print or transport any poster
- neither will there be any possibility to print or compose the poster at the conference
- the poster has to be mounted before 21. September 09:00 am
- posters which are not removed after the event will be taken down, the IRES-Team will not take the responsibility for the materials

## Award

Since the first IRES conference, the “Best Poster Award” is committed to the most outstanding poster presented at the conference annually. All attendants are able to vote for their three favourite posters. The posters will be assessed by the following criteria:

1. Presentation of the content
2. Relevance of the content
3. Applicability in real life

The Winner will be awarded in the closing session on 22. September 02:30 pm and receive a small prize. As well as their poster will be promoted on the conference website and included into the press information.
